

# MATH FACT SCHOLARS

- Nurture Study Habits Required for Academic Success
- Improve Math Skills, Speed & Accuracy
- Earn Ribbons, Medals & Trophies

MATH FACT SCHOLARS is a weekly math testing program that motivates Kindergarten – 6<sup>th</sup> students to improve their math skills as they advance through program skill levels, mastering basic addition, subtraction, multiplication, & division facts, multi-digit computation, and working with fractions, decimals and percentages. Students earn ribbons, medals and trophies along the way! This is not a math tutoring program. Students advance in the program at their own pace, based upon their commitment to preparing for the weekly testing sessions and completing the testing requirements for each skill level. Students receive program workbooks for at home math practice.

**Registration fees are paid, per skill level, as the child advances in the program.**

**Payment for all levels at one time *cannot* be accepted.**

**Blue Ribbon/Medal Levels = \$25 each. Trophy Levels = \$35 each.**

Weekly MATH FACT SCHOLARS testing sessions take place at **Christ, Prince of Peace Catholic School** every **Wednesday** from **3:15–3:45 p.m.** from **August 28, 2019 – May 13, 2020**. **Testing location: CPOP Cafeteria** Start anytime during the school year. CPOP parent volunteers are needed to implement this weekly math enrichment program. See volunteer sign up below.
