

# Sewing Club

Sewing Club is open to any student in grades 3-8. A prerequisite for Sewing Club is the “Learn to Sew” class *or* previous sewing machine experience.

**A “Learn to Sew Class” will be offered on Thursdays for four weeks if there is an interest. Please email me if you are interested.**

Otherwise, our Sewing Club will meet on selected Mondays from 3:00-4:30 beginning September 9th. There is no fee for Sewing Club other than our \$5.00 monthly dues to cover costs of sewing notions. A significant component of Sewing Club is “sewing for service”. In the past we have made pillowcases and baby items for the Marygrove Children’s Home. If you have questions please call or email Mrs. Cooney at school.

Please fill out and return this form if you would like to participate in Sewing Club. You may bring your \$5.00 dues to the first meeting Sept. 9th.
